CARTS:

- Two months service must be paid for in advance. After two months of service a statement will be sent for the next two months of service. This statement is due upon receipt. If the statement is not paid by the end of the month a second statement will be sent and it will include a finance charge.
- If the second statement and finance charge are not paid within 30 days, service will be stopped. If you wish to start service again you will be required to pay a \$25.00 restart fee, two months service in advance and the previous balance.
- The monthly fee charged is for weekly service to empty the cart or carts we provide and is based on four pickups per month.
- Carts that are over full or have excess solid waste in or outside of cart will be assessed an additional charge for each occurrence.
- Everything must be bagged. In the event your cart becomes dirty, you are responsible for your own cleaning. At your request, we can clean the cart for \$30.00.
- We do not haul tires, motor oil, batteries, metals or construction materials in carts.
- Animal waste must be in plastic bags.
- Do not put dirt, rocks or other heavy objects in the cart. If the cart is overweight, it will not be emptied until you remove the overweight objects.
- Do not place hot ashes in cart. Cool ashes must be contained in plastic bags before placing them in the cart.
- Water base paint cans must be dried out before placing in cart. We do not haul oil base paints.

We are implementing a temporary fuel surcharge to all residential and commercial customers.
